

2019
**CHEM
SHOW**

THE EVENT FOR PROCESSING TECHNOLOGY
OCT 22-24 • JAVITS CENTER • NYC

Partial List of 2019 Chem Show Registered Attendees

Engineer 3M	CEO Ahmed Impex	President AMA INTERNATIONAL
CEO 722 Investments	Chemical Engineer AIChE	President AMA INTERNATIONAL
Senior Application Engineer A&M Industrial	Applications Engineer Air Products	Research Scientist American Air Liquide
Executive manager Abdoosh for import and export	Director - Business Development Airtgas USA LLC	QA Supervisor American Sugar Refining Inc.
General Manager ABL INTERNATIONAL S.A.C.	Product Sales Manager Airmar Technology Corp	Technical Manager American Sugar Refining Inc.
Sales Accardi	Partner Akerman LLP	Technical Manager American Sugar Refining, Inc.
Sales Accardi	Owner AKJ ASSOCIATES	Engineering Manager Ames Advanced Materials
Sales Engineer AccentPDIR	Validation Engineer II Akorn, Inc.	Manufacturing Engineer Ames Goldsmith Advanced Materials
Director ACCI Spec	Sales Manager Alef Equipamentos Industriais Ltda	CEO Amexcel Bio
Process Development Scientist ACCI Specialty Materials	Senior Materials Engineer Align Technology, Inc.	Global Capital Equipment Manager AMRI (Albany Molecular Research Inc.)
Sales Representative AccroSeal	Executive Director Allergan	Process Engineer Anellotech
Territory Sales Manager Accroseal	Facility In-charge/ Chemist AllExcel Inc	Senior Engineering Associate Anellotech Inc.
Mgr, Ops & Mfg Eng Acuitive Technologies, Inc.	President ALLIANCE GROUP	VP Business Development Anova
VP Addison	President / CEO ALLIED	Manager APGC
VP Advisian	President / CEO Allied African Nations Chamber of Commer	Engineer APPLIED ENGINEERING CORP
President Advisory innovation Group	Regional Sales Manager Allied Moulded Products Inc	President Applied Net Solutions
Sen Consultant AECC	Business Development Alsace France Business Development	Dir R&D Aqua-Resin
Process Design Engineer Afton Chemical	Technical Sales and Business Development Altaflo	CFO Aquatrols
Sr. Manufacturing Excellence Manager Afton Chemical Corporation	President AM-TECS INC.	CEO Arbonite
Inside Sales & Marketing Manager AGC Chemicals Americas. Inc.	Proprietor AMA and Associates	President Arbonite

Director of Process Technology Arkema	Sr. Technology Manager BASF Corporation	IS Business Consultant II Boehringer Ingelheim
Engineering Fellow Arkema	CEO BayGre Consult	Scientist I Boehringer Ingelheim Pharmaceuticals
Lead Process Technology Engineer Arkema	VP Bayville Chemical Company	CEO Bolcris International
Project Development Manager Arkema	Sales Representative BCT Associates	Industry Segment Manager - Chemical Bosch Rexroth Corporation (Hägglund)
Sr. Process Technology Engineer Arkema	senior engineering advisor Becht Engineering	Sector Manager Bosch Rexroth Sweden
Principal Process Technology Engineer Arkema Inc.	Senior Control Systems Engineer Bechtel	Global Engineering Manager Bp
Principal Process Technology Engineer Arkema Inc.	Process and Database Manager Bedoukian Research Inc.	Global Process Engineer Bp
Sr Principal Process Engineer Arkema Inc.	President BEEHIVE MARKETING GROUP, INC.	VP Business Development BPI Packaging, LLC
Owner Aromatherapy Guild	National Sales Manager Bekaert	Project Director Brand Knowledge
Sales Manager Associated Tube Goup	National Sales Manager Bekaert	GM Broad USA
President Automatic Signal & Control	President BELANGER ASSOCIATES	Engineer Brookhaven National Laboratory
Associate Engineer Avon Products, Inc.	Owner Belmont Polymer Associates	Managing Member BRT Naturals LLC
Sales Manager AW Lake Inc	Chief Engineer Berkshire Environmental Consultants	Pilot Plant Engineer Buckman
VP Energy Axa XL	Territory Sales Manager Northeast BESCO Div. of McIntosh Controls	CEO Budish Group
NA Customer Relations Azonetwork	Director Bhushilpa Chemicals Pvt. Ltd.	Area Service Manager Buhler Inc.
President B&P Littleford	Manager BIGTHREEPOLY ENT	Territory Manager Callahan Chemical Co
President B2BC Consultrade Limited	President Bio clean chemicals	Sales & Marketing Support Specialist Callahan Chemical Company
Principal BAL Assoc	Process Engineer BiOWiSH Technologies, Inc.	Sr. Facility Manager Cambrex
VP Balfor Industries, Inc.	Water Treatment Manager Birmingham Water Works	Director Manufacturing Cambrex Hig Point
Sales BARISH PUMP CO,INC.	National account manager Bischof & Klein SE & Co. KG	VP Sales & Marketing Campbell Fittings
Project Estimator Bartech	Executive VP Blacoh Surge Control	COO Carpathian Industries
Engineering Supervisor BASF	Operations Manager Bluestone Lane	Director of Engineering CAVU
Project Engineer BASF	director bms	Sales Manager, NE US CDS - Custom Downstream Systems
Senior Manager – Continuous Improvement BASF Catalysts	Consultant Board if Elections	Director of Technology Ceramco

Sr. Principal Process Engineer
CertainTeed Corporation

President Dover High Performance Plastics	Heat Transfer Fluids Market Manager Eastman Chemical Company	Process Engineer ESTEE LAUDER
VP Dover High Performance Plastics	Manager ECI	Process Engineer ESTEE LAUDER
Sr Director, External R&D Dr Reddy's Laboratories	Extraction Technician ECS Therapeutics	Senior Engineer Estee Lauder Companies
VP Drew & Rogers	President ECS Therapeutics	Territory Representative Euclid Chemical Company
VP Drexan Energy Systems Incorporated	Scientist Eflow Scientific LLC	Lead Extractor Evolvd Oregon
Plant Manager DRIMARK PRODUCTS INC	Asst Mgr Process Dept EI Associates	Pilot Plant Manager Evonik
Consulting Chemical Engineer DRM Chemical Process Services	VP Engineering EI ASSOCIATES	Pilot Plant Manager Evonik Industries
Consultant DuPont	Engineer El-zenouki company	Contract Manager Ewald & Makis Ltd
Consultant DuPont	Applications Specialist Electron Machine Corporation	Consultant ExoEndo
Process Engineer DuPont	Engineer Eli Lilly	VP Sales Exogray Technical Sales, Inc.
Product Stewardship & Regulatory Anlayst DuPont	Corporate Project Engineering Manager Elite Comfort Solutions	Sales F.S. Welsford
Project Engineer Dupont	VP Sales Elite Industrial Controls	Project Manager Fabco
R&D Operations Leader DuPont	Director of Operations Elkem Silicones	President / CEO Factory Direct Pipeline Products Inc
Research Engineer DuPont	Production Manager Elkem Silicones	Director of Sales & Logistics Factory Direct Pipeline Products, Inc.
Manager- Tridak Filling Equipment Dymax Corporation	Manager Empire pump and motor	Laboratory Supervisor Fairleigh Dickinson Univ
Sales Engineer Dynamatic	Chemist Empresa de Acueducto y Alcantarillado de	Director Farren Intenational
Technology Scouting Lead Dyson	Owner Energy Management	Director Feathr
Technical Sales E & T Plastics	National Sales Manager Ensinger Precision Components	Owner Federal security systems
Product Development Engineer E J FRANKEL & ASSOCIATES	Sr Manager Business and Economic Develop Entergy	Owner Fenix Specialty Products
Engineer E L	VP ENGINEERING AND OPERATIONS ENVIRONMENTAL ENERGY SERVICES	Process Automation Festo Corporation
President E. M. Shaw Inc	Sales Engineer Envirotech Molded Products	Sale Manager FETS
Owner E&J Machine and Tool, LLC	Manager ESSENTIAL INTERNATIONAL	Engineer FF Origins

Naitonal Sales Manager Fike	District Sales Manager Gates	Executive VP HAP Marketing Services, Inc.
Managing Partner Finn Partners	Business Development Manager Gates Corporation	Principal Harold Hofstein Engineers
Automation Engineer Firmenich	Regional Sales Manager Gates Corporation	R&D Manager Hartz Mountain Corp.
instrumentation specialist Firmenich	Owner GCC	Lead Consultant Hawk Global LLC
Perfumer Technician Firmenich	Mfr. Sales Rep. - BlueFil Products GEMS Environmental, Inc.	Sales Engineer HAYES PUMP INC
President / CEO FIRST CHEMICAL LIMITED	Disrict Manager Gencor General Combustion	Filtration Sales Manager Hayes Pump, Inc
Manager Fischer Industrial Products LLC	General Manager General Combustion General Combustion	Director of Mechanical Services Hayward Laboratories
Technician Fixall Refrigeration LLC	Owner George E Booth Co., Inc.	Sales Engineer Heerema Co.
Plant Engineer Fleurchem inc	Aircare Chemist Givaudan	Territory Sales Manager Hendrick Manufacturing
President Floral Encounters	Director of Engineering Givaudan	Lead Process Chemist Henkel
Technical Director Floral Encounters	Proprietor Glass and Ceramic Chemicals Emporium	Project Manager Henkel
General Manager Flow Control Inc	Executive VP Glatt Air Techniques, Inc.	Sr. Operations Engineer Henkel
Sales Engineer Flow Control, Inc.	Product Leader GLAXOSMITHKLINE	Principal Process Engineer Henkel Corporation
Materials Advisory Engineer Fluor Marine Propulsion	VP Global Shipping Services LLC	Senior Project Manager Henkel Retired
Engineer FMP	President & CTO GLOBALCHEMDEV	Key Account Manager HERAEUS PRECIOUS METALS
General Manager FMW Fasteners	Systems Engineer Globalfoundries	VP Sales & Marketing Hockmeyer Equipment Corporation
Operations Manager Foam Supplies Inc.	Process Engineer GOJO Industries, Inc.	Process Engineering Dept. Head HOCS Projects
Senior Territory Account Executive Formed Plastics, Inc.	Director Greg Mehos & Associates LLC	CEO Hong Kong Fengshuo Group Ltd.
President Forrestal Consultants International	Engineering Manager Gulbrandsen Technologies	Panel Shop Manager / Production Manager Houston Motor & Control, INC.
President Frank Cuomo & Associates Inc	Plant Manager Gulbrandsen Technologies Inc	Project Engineer HOVIONE
General Manager FRIED BROTHERS, INC	Director US Operations Gulbrandsen Technologies Inc.	Sales Howden Roots
President FRIED BROTHERS, INC	Director Guljag Industries Ltd	Sales Manager HRO
Engineering Director G & C Engineering	President H&P Tech Services	Engineer HS Engineering
Sales Engineer G W Components LLC	VP Hanovia	Director of Operations Hummel Croton Inc

International Account Manager Huson International Media	Engineer Infineum	Consulting Engineer JayGo Engineering
Strategic Account Director Huson International Media	Process Contact Engineer Infineum	Account Manager JEBCO Industries Inc.
VP of Operations Hydro-Chem Systems, Inc.	Process Engineer Infineum	Consultant JG
Director I media light	Process Engineer Infineum	Territory Manager JGB Enterprises
President IAC, INC	Plant Improvement Engineer Infineum USA	president JH Process Equipment
Account Manager ICD	Plant Contact Engineer Infineum USA LP	Sales JH Process Equipment
IT IEC	Plant Improvement and Development Engine Infineum, USA LP	President John Brooks Company
IT Director IEC	Engineer Ingredion Inc	Development Engineer Johnson Matthey
Manager iece	Director - Process Technology Ingredion Inc.	Engineer Johnson Matthey
Research Scientist IFF	Project Manager Innophos	Principal Scientist Johnson Matthey
Sales Engineer ifm Efactor	maintenance manager innovative plastics corp	Process Engineer Johnson Matthey
Consultant IFPO	Director Innovium Partners LLC	Chemical Engineering Consultant Joseph A. Salvati
Manager Imperial Industrial Technology	Application Engineer Instruments Direct	President JPR Company
VP Imperial Industrial Technology	Director of Corporate Development Integrative HP	VP JPR company
Industrial Project Manager Imperial Industries, Inc.	Laboratory technician International Drinks Company	Technical Sales Engineer Keco Engineered Controls
Maintenance Technician incotec	President INTERTEK LLC	Sales Rep Kelly Assoc.
Chief Engineer Independent	VP Sales Ives Equipment Company	Senior Application Engineer Kessler Ellis Products
Consultant Independent	Proprietor J&B'ees	Director - Business Development Kiewit
Consultant Independent Consultant	Director J3 Chemical & Filtration Consultants	Director, Business Development Kiewit
Project Manager Industrial Conditioning Equipment	Consultant JA Consulting	Division Leader KIFLT
Account Manager Industrial Controls	Process Engineer Jacobs	President KING FILTRATION TECHNOLOGIES, INC.
Senior VP Industrial Reports, Inc.	Owner JAGDAMBA DYES & INTERMEDIATES	Senior Maintenance Advisor King Industries Inc.
Sales Industrial Valve Automation Co	CEO Jamil & Sons	Director Kingscote Chemicals
Sales Industrial Valve Automation Co.	Principal Engineer Janssen Pharmaceutical	President Kleinfeld Technical Services, Inc.
