

## Partial List of 2017 Chem Show Registrants

### As of 10/10/2017

Project Engineer 3M Co.	Mechanical Engineer Air Products	Technical Sales Specialist A&M Industrial
Manufacturing Engineer 3M Co.	Engineer Air Products	VP of Sales A&M Industrial
President A & A Control System Consulting LLC	Chief Technical Officer Airsience Technologies Inc.	Sr Mfg Engineer AbbVie
Manager A Thru Z Solutions	Managing Director ALAC International Inc.	President Acacia & White USA Inc.
Owner A. Blair Powell Co.	Staff Process Engineer Albemarle	Director ACCI Specialty Materials
Vice-President A. Blair Powell Company	Engineering Supervisor Albemarle	Director Accuvol
President A. Blair Powell Company	R&T Engineer Albemarle	Engineer ACISA
Process Engineering Manager AAK	Research Chemist Albemarle	Mgr Mechanical Engineering Acrison Inc.
Process Engineer AAK	R&T Advisor Albemarle Corp	President ACSC International Inc.
Director of USA Engineering AAK USA Inc.	Staff Process Engineer Albemarle Corp.	Head of Operations ACTEGA
Director, Control Technologies NAM ABB Inc.	Process Engineer Albemarle Corp.	Mgr. Polymer Development Acuitive Technologies
Chairman Acacia & White USA inc.	Senior Manager Albemarle USA Inc.	Mgr, Ops & Mfg. Engineer Acuitive Technologies, Inc.
President ACS INC.	Founder 3DP Innovation Industries	SVP Addivant
	CEO Aaamd Services	Manufacturing Manager Adhesives Research
	Senior Application Engineer A&M Industrial	

Director of Engineering and Maintenance Adhesive Systems Inc.	Market Manager Air Products	Group Leader AllExcel Inc
Development Technician Advanced Materials Technology	Director AkzoNobel	Scientist AllExcel Inc.
Sr. High Voltage Systems Engineer Advanced Plasma Solutions	Scientist AkzoNobel Surface Chemistry	Biologist AllExcel, Inc.
Engineer Advanced Powders & Coatings	Director of Development Albarrie Canada	Senior Chemist AllExcel Inc.
Technical Marketing Leader AdvanSix	General Manager Albatrik Trading & Services Co. Ltd.	Engineer allnex
Business Development Manager Advantage Controls	Sr. Process Engineer Albemarle	CEO Allon Tech LLC
Sales Manager Advantech	Process Engineer Albemarle	Manager Alloy & Metal Service Company
Senior Consultant AECC Houston	Manager, Manufacturing Alexium Inc	Director of Projects Alpha Assembly Solutions
Instrumentation and Control Tech AGFA	Manager Alfa Corporativo	Global Chemical Process Engineer Alpha Assembly Solutions
Manager Agmas Business Group	Operations Manager AllCoat Technology	Process/Project Engineer Alzo International
Process Engineer Air Liquide Advanced Materials	Project Coordinator ALK Abello, Inc	President AMA International
Process Engineer Air Process Systems	Tech Service Project Coordinator ALK-Abello	Managing Director AMA International
Manager Air Process Systems	Director - CPI/HPI Markets Allegheny Technology Inc.	Chief Chemist American Flux & Metal LLC
Technology Manager Air Products and Chemicals	Territory Sales Manager Allegheny Surface Technology	President American River Nutrition, Inc.
Instrument Tech Air Products and Chemicals	VP, R&D AllExcel	Director of Sales American Laboratory Labcompare
Technology Manager Air Products	Chemist AllExcel Inc	Technical Manager American Sugar Refining, Inc.
	Sr. Chemist AllExcel Inc	Technical Operations Manager

American Sugar Refining	Plant Manager ARC	Manager Ashland Inc.
President Amparts, Inc.	Territory Manager Ashcroft, Inc.	President ASEAL
Vice President Amrita Supply LLC	Operation Manager Arcadian Services	President Assemblers Inc.
Executive VP Amay Associates	President Archem Process Equipment Ltd.	Engineering Support ASSISTECH
Sales Ametek Mocon Baseline	Engineer Arobone Systems	Procurement Manager AST
Sr. Manager Amexcel Bio	Pilot Plant Manager Arkema Inc.	President Astro American Chemical
President Analytical Measurements	Engineering Fellow Arkema	CEO ATCO International, Inc.
Principal Anasyn LLC	Process Engineer Arkema	Manager Atky Enterprises
Director of Marketing Anderson-Negele	Manager Arkema	President Atlantic Coastal Technologies
Sales Director Andronaco Industries	Sr Principal Process Engineer Arkema Inc	Director ATTS Chemicals
Product Development AOS Thermal Compounds	NE Director Armstrong International	Corporate Engineer Atlas Roofing Corporation
QC Supervisor AOS Thermal Compounds	Sr. Product Engineer ASCO	Administrator ATS
Plant Manager AP Deauville	Sales Director ASCO	System Analysis ATS
Account Manager Apex Life Sciences	Manager Process Engineering Ashland	Business Development Manager ATV Industries
Manager Apt-TMH Inc	Business Development Manager Ashland	Sales Representative Auster Rubber Co.
President Aqua-Resin	Senior Scientist, Process Research Ashland Inc.	Process Development Manager Avantor
Manager APGC		Principal Chemist Avantor Inc.
Manager Aramco		

Manager  
AVENSIS Instruments Private  
Limited

Scientist  
Avery Dennison

Pilot Plant Manager  
Avery Dennison Corp.

Senior Process Engineer  
Avon Products, Inc.

Associate Engineer  
Avon Products, Inc.

Senior Tech  
Avon Products Inc.

Manager  
B&H Photo

President  
B&P Littleford

President  
B2BC Consultrade

Principal  
BAL Assoc,

Product Development  
Engineer  
Balchem Corporation

Plant Engineer  
Balchem

President  
Barish Pump Company, Inc.

Technology Manager  
BASF

Engineer  
BASF Corp

Technical Manager  
BASF Corporation

Product Development  
BASF

E&I Controls Engineer  
BASF

E&I Supervisor  
BASF

Process Engineer - Tech  
Transfer  
Bayer

Staff Scientist Technical  
Transfer  
Bayer

Process Technology Manager  
BD

Advisory Engineer  
Bechtel

Senior Engineering Advisor  
Bechtel Engineering Co.

Senior Control Systems  
Engineer  
Bechtel

Engineer  
Bechtel Marine Propulsion  
Corporation

Sales Application Engineer  
BECK Actuators

General Manager  
Bedoukian Research, Inc.

National Sales Manager  
Bekaert

RSM  
Beijer

President-Owner  
Belanger Associates

Engineer  
Belleville Wire Cloth

Sr. Engineer  
Belleville Wire Cloth

GM

Belleville Wire Cloth

Engineering Project Manager  
Benjamin Moore & Co.

EVP Operations  
Bentley Laboratories

Director of Operations  
Bentley Laboratories

Director Of Technical  
Services  
Bentley Laboratories

President  
Bernhard Inc.

Manager  
Berkshire Env. Consultants

Technical Advisor  
BESCO Div of McIntosh  
Controls

CEO  
Better Health Lab, Inc.

Commissioner  
Bethpage Water District

Director  
Biddle Sawyer

President  
Bill Bocchino Advertising

President  
Bio Clean Chemicals of NY  
Inc.

Plant Operations  
Bio Clean Chemicals of NY  
Inc.

Manager  
Bitla Paints

Asst. Manager  
BioLab

Manager  
BioLab

Principal Engineer BioPharmaceuticals	Sales Manager Bodycote K-Tech, Inc	Engineer Brewer Science
Nat'l Account Mgr. Bischof + Klein	Senior Scientist Boehringer Ingelheim Pharm. Inc.	Principal Process Engineer Brewer Science, Inc.
RSM Blue Ribbon Corp.	Principal Scientist Boehringer-Ingelheim, Inc	Director Water Quality Brick Utilities
Director of Operations Bluestar Silicones	Scientist 1 Boehringer Ingelheim Pharmaceuticals	President Briechle Fernandez Marketing
President BlueLevel Technologies	Director Boehringer Ingelheim Pharma GmbH & Co.KG	Vice President Brighton Tru-Edge
Manager Logistics & Allied BMO Resources LTD	CEO Bomzer Associates	Sr. Manager BRISEA Group, Inc.
Technologist BMPC	Operations Manager Boron Specialties, LLC	Principal Engineer Bristol-Myers Squibb
Technologist BMPC	Regional Manager Bosch Rexroth	Senior Research Investigator Bristol-Myers Squibb
Engineer BMPC	Segment Manager Bosch Rexroth Corp	Utilities Project Engineer Brookhaven National Laboratory
Specialist BMPC	Sales Representative Bostech	Regional Sales Manager Brooks Instrument
Sr. Engineer BMPC	Global Process Engineer BP	Sales Engineer Buffalo Pumps
Engineer BMPC	Global Engineering Manager BP	Area Service Manager US Buhler
Technologist BMPC	Sales Manager Burkert Fluid Control	Market Segment Manager Buhler Inc
Director BMS	Systems Engineer Busch Vacuum Pumps and Systems	Process Engineer BW Design Group
Project Director BMS	PhD Braskem America Inc.	Ops Manager BYK USA Inc.
Corporate Chemist Boars Head Provisions	Sales/Marketing Brenner Photo Productions	BS Chemist BYK USA Inc.
QA Laboratory Manager Boarshead Provision	Engineering Technician Brewer Science	Sales Director BWS Technologie GmbH / SUPRATON
Manufacturing Analyst Bodine Electric Company		

Director C Tech Technologies, Inc.	Engineering Manager Canusa-CPS	Sales Manager Cellmark USA LLC
Mechanical Engineer C Technologies, Inc.	R&D Chemical Engineer Cardinalhealth	Process Specialist CelluForce
Project Engineer Cadence, Inc.	Purchasing Agent Caribbean Food Delights	VP Manufacturing CelluForce Inc
Sales Engineer C.A. McAnly Associates, Inc.	Sr. Engineer Carlson Consulting Engineers	Sr. Associate CenPoTech BVBA
Sales & Service Manager C.A. McAnly Associates, Inc.	VP Sales Carlson Consulting Engineers	Manager CenPoTech BVBA
Agent Commercial CAI	COO Carpathian Industries LLC	Director Center for Pharmaceutical Cleaning
Manager Cakes 'R' Us	President Carr Company, Ltd.	Associate CET, Inc.
President CAL'S Management	Lead Technician Carrier	Control Systems Engineer CETC
CFO Camger Coatings Systems Inc	Sales Rep Carrier Rentals	Account Supervisor CGT
President Camger Coatings Systems Inc	Chemical Engineer Cartridge Actuated Devices	I&C Manager CH2M
Project Manager Camger Coatings Systems Inc	Mechanical Engineer Cartridge Actuated Devices, Inc.	CEO Charles Bernard Ventures
Vice President Camger Coatings Systems Inc	Chemist Cartridge Actuated Devices, Inc.	Processing Manager ChemAid Labs
CEO Carbon OTA	Regional Sales Manager Cashco, Inc.	Sr. Tech Transfer Specialist ChemAid Labs
CEO Carbones El Porvenir	President CBF Advisors LLC	Consultant Chemical Consultants
Sr. Director, Regulatory Cambrex Corporation	Dept. Chair, Chemical Engineering CCNY	Director of Operations ChemStation
Technical Sales Engineer Cannon Instrument Company	Territory Sales Manager CDS Machines	Market Manager Chemetall
	Engineering Fellow Celanese	Vice President Chemetry
		Business Development ChemFlowTronics

CEO ChemFlowTronics	President Coating With A Purpose	Project Manager Consolidated Edison
Estimator Chemical Specifics	Process Engineer COIM USA	Project Engineer Consultants Inc.
Sr. Account Executive Chemical Specifics Inc.	Sales Mgr. Cole-Parmer	Sr. Applications Engineer - SME Continental Field Systems, Inc.
Consultant Chemque, Inc.	Product Manager Colfax Fluid Handling	Sales Manager Continental Field Systems, Inc.
Tech. Mgr. Chemque, Inc.	Marketing Director Colfax Fluid Handling	President Control Associates
Owner CHEMTEX IMPEX	President Components & Controls, Inc.	Account Manager Control Associates
Operations Manager Chemtrade	Technical Manager Compressed Gas Association	Managing Member Controlled Temperature Solutions LLC
Engineer Chem-Trend	Supervisor Con Edison	Mechanical Engineer Coperion Corp.
Senior Plant Chemist Chem-Trend	Scientist Consolidated Edison Company of NY	Manager, Project Management Coperion Corp
Technical Director Chemtron	System Engineer Con Edison	General Director Corporacion Denver
President Chicago Discovery Solutions	Sr. Engineer Con Edison	Sales Manager Corken
Director Operations Chiral Technologies Inc.	Senior Engineer Con Edison Co. of NY, Inc.	Sr. Development Associate Corning, Inc.
President Cino Equipment Co.	Director Colgate Palmolive Company	Dept. Head- Chemistry Cornell University
Director City of New York - DEP- HAZMAT	Researcher Columbia University	Process Engineer Corporate Engineering
Product Specialist Clark-Reliance Corporation	Vice President Conestoga Fuels, Inc.	President Corporate E(negy) Solutions.com
Director of Product Development Cluppenburg AG	National Accounts Development Conner Industries	Technical Business Mgr. Cowie Technology Corp
Principal Coating With A Purpose	Equipment Engineer Consolidated Edison	

Managing Director  
Cowie Technology Group Ltd.

Dir /Operations  
Coyne Chemical

FRP Manager  
CPE

PTS Department Leader  
CPI Fluid Engineering

Principal  
CPS

Vice President  
CPV Manufacturing

CEO  
Craig St. Jamada Enterprises

Project Chemist  
Crayola, LLC

Chemical Engineer  
Creative Engineers, Inc.

Mechanical Engineer  
Creative Engineers Inc.

Manager  
Crest Pumping Services Ltd

Project Engineer  
Croda

Vice President Marketing and  
Sales  
Crown Manufacturing

Account Manager  
CPI Controls Inc.

Project Manager  
Crane Resistoflex

Process Engineer  
Croda Inc.

Lead Process Engineer  
Croda, Inc.

Sales Manager - Specialty  
Crown Iron Works Company

Process Engineer  
CTC

Business Development  
Manager  
CTP Sinto America

Project Manager  
Cumberland Packing

V.P. of Operations  
Cutting Edge Fabrication

Production Manager  
Curecrete Chemical

Director Technical Service  
Curecrete Distribution

Owner  
Custom Equipment Solutions

R/D Engineer  
Cyclops Research &  
Development, Inc.

Engineer  
Cypress Semiconductor

Manager  
CZTK

Polymer Scientist  
D'Addario

Northeast Account Mgr.  
Da/Pro Rubber

President  
D. Steengrafe & Company,  
Inc.

Sales Rep  
D & D Filtration

Process Engineer  
De Dietrich Process Systems

Project Manager- P.E.  
D.E.P.

VP of Engineering  
DFA  
Technical Engineer

DH Technical Consulting,  
LLC

President  
Delwood Equipment Co.

Sales Engineer  
D. L. Thurrott Inc.

Manager  
Daikin America Inc.

Sr. Chemical Engineer  
Dart Container

Plant Engineer  
Dart Container Corporation

General Manager  
dbA Systems

Sales Engineer  
DDPS

Business Unit Leader  
De Dietrich

National Sales Manager  
Delfin Industrial

President  
Delmar Controls do Brasil

Sales Manager  
Delphian

President  
Delwood Equipment Co.

Owner  
DenGal

Engineering Manager  
Density Analytics

Sr. International Trade  
Specialist  
Department of Commerce -  
US

President  
DEPCO Inc.

Manager Derby Supply Chain Solutions	Chemical Engineer Dow Chemical	Manager DuPont
Sr. Process Engineer Design Group	Process Development Engineer Dow Chemical	R&D Engineer DuPont
Engineering Manager DEMA Engineering	Technical Sales Dow Chemical Clean Filtration Technology	Sr. Process Chemist Dupont
Sales Manager DESMI	Sr. Process Engineer DPS Engineering	Senior Consultant DuPont Clean Technologies
Operation Manager DHPP	Project Engineer Doyle & Roth Mfg. Co.	Plant Manager Dupont Mexicana
Vice President DHPP	Vice President Doyle & Roth Mfg. Co., Inc.	Proprietor Dyutex Enterprise
President DHPP	Project Engineer Doyle & Roth Mfg. Co., Inc.	Consultant EastDay Inc.
Chief Engineer Differential Pressure Plus	Surgical Designer Dr Mechanical	Consultant Eastern Controls Inc.
Treatment Manager Dighton Water District	Business Development Manager DSV Air and Sea Inc.	RSM Eaton
Owner Dillon Associates	General Manager Dual Chemistry	Engineer E+E Group
Sr. Plant Engineer Disston Precision	Manager Duflon Europe Ltd	Outside Sales Manager Eastern Controls Inc.
V P of Operations Diversified Chemical Technologies, Inc.	Vice President Dunes Point Capital	Technical Service Manager Eastman
President DONEL SYSTEMS	Director Dunkermotoren	Technology Coordinator Eastman Chemical Company
R&D Manager Dongguan Wits Chemical Technology Ltd	Application Engineer DuPont	Sr. Associate Eastman Chemical Company
Project Engineer Doyle & Roth Mfg. Co.	Application Engineer DuPont	Engineering Lead Eastman Chemical Company
President Dynalytics Corp.	Consulting Engineer DuPont	CEO EBD Manufacturing
Manufacturing Engineer Dow Chemical	Project Engineer Dupont	Head of Engineering Eckart America
		Certification Officer ECOCERT/ICO

Project Manager Ecoprotérmic	VP Strategic Relations Electronic Waste Processors	Sales Manager EP Minerals
Senior Process Engineer Ecoprotérmic	Plant Manager Elementis Specialties, Inc	Business Development Mgr. EPI Engineering
Project Manager, Reliability Engineering Edgewell	Managing Partner Eliades Bay LLC	Engineer Epolin Chemicals LLC
Sales Representative Effort Foundry	Director of Chemical Industry Innovation Emerson Automation Solutions	Plant Manager Epolin Chemical
Process Engineer EI Associates Regional Sales Manager Eirich Machines, Inc.	Global Wireless Applications BDM Emerson Automations Solutions	Engineer Epolin Chemicals LLC
Sales Manager Eisenmann	Consultant Emerson Automation Solutions	President Equibal
Product Development Engineer E J Frankel & Associates	Owner Emon & Sons Trading	Managing Director eschbach GmbH
Sr. Project Manager EarthRes Engineering	Manager Empire Rollers And Coatings	Territory Manager ES2 Environmental Systems & Equipment
Outside Sales Eastern Controls Inc.	Project Manager Energy and Environmental Endeavors	President ESSRE Consulting, Inc.
Sr. Scientist/Engineer eChemEng	General Director Engineered Pressure Vessels, LLC	Director, Process Engineering Estee Lauder
President / CEO Eco Solution Distributing	Consultant Engineering Services	Project Manager Estee Lauder Companies
Director, Bus. Dev. EI Associates	President Environmentally Correct Solutions Intl	Director Estee Lauder
G.M. EID Group International Trade	Director of Mechanical Integrity Encorus Group	Director, Engineering Estee Lauder
Engineer ELAD Technical	Manager Enikkom Construction Ltd.	Process Engineer Estee Lauder
Corrosion Resistance Materials Mgr. Electro Chemical	President Enviro Metald	Process Engineer Estee Lauder Companies
Engineer Electrolab, Inc.		Exec Director - Process Development Estee Lauder Companies
		Manager Estee Lauder

Engineer Ethicon	Process Engineer Evonik Oil Additives USA	Lab Supervisor Fairleigh Dickinson Univ.
Manager ETS American Shopping Beauty	President / Engineering EWMT Consulting, LLC	Plant Manager Faust Thermographic Inc.
Territory Representative Euclid Chemical Co	Assistant Excalibur Photo Studio	Vice President Faust Thermographic Inc.
Company Director Eurl Cvr Company	Sales Rep Excelsior Technologies Intl.	Manager Faraqueens Integrated Services Limited
Sr. Engineering Manager Ethicon	Regional Director EXIM Bank	Senior Manager Faraqueens Integrated Services Limited
Sr. Principal Engineer Ethicon	Sr. Research Technician ExxonMobil	Sales Director Farren International
Associate Director R&D Ethicon	Group Head ExxonMobil R&E	Manager Fastdrill Global Resources Limited
Process R&D Group Leader Evonik	Res. Engineer ExxonMobil	Sales Director Favela Enterprise
Pilot Plant Manager Evonik Industries	Manager ExxonMobil	CEO FDPP Inc.
Research Technician Evonik North America	Sr Research Technician ExxonMobil	Owner FEMA SRL
Sr. Process Research Engineer Evonik	Lab Supervisor ExxonMobil Research & Engineering	Sales FEMA SRL
Process Engineer Estee Lauder	Senior Research Technician ExxonMobil Research & Engineering	Managing Director Femogeb Nigeria Co Limited
Sales Manager Evonik Corp.	Research Technician ExxonMobil Research and Engineering	Manager Femogeb Nigeria Co Limited
Process Scientist Evonik	Executive Director EZ-1 Co.	President Fenix Specialty Products
Scientist Evonik	Sales Manager Faber Associates	Shift Engineer Fertilizers
Process Engineer Evonik	Exec. V.P. Faber Industrial Technologies	Administrator Filter Equipment
Senior Process Engineer Evonik	Director Fagin Associates	Vice President Filter Equipment Co., Inc.

Sales Manager Filter Holdings, Inc.	Sales Engineer Flow Control, Inc.	Senior Manager Formed Plastics, Inc.
VP of Sales Filter Process & Supply	Reliability Engineer Flowserve	VP Sales & Marketing Fourinox
VP Sales U.S.A. Finish Thompson, Inc.	VP of Operations Flowserve	President Frank Cuomo & Assoc.
NJ Site Manager FIS	President Fluid Cooling Systems	Technical Services and Regulatory Mgr. French Color and Fragrance Co.
Project Director Firmenich Inc.	Manager Fluid Flow Solutions	Engineer Freshpet
Director Global QC Lab Assurance Firmenich	East Coast Sales Manager Fluid Line Technology	President Fried Brothers, Inc
Process Technology Director Firmenich	President Fluorotherm Polymers	Sales Manager Fried Brothers, Inc
President & CEO First Chemical Limited	Engineer FMC Corporation	Sales Engineer FS Welsford
Manager Fischer Industrial Products LLC	Technical Development Engineer FMC Corp	Sales Engineer FS Welsford
President Flavors & Fragrances Specialties	Development Engineer FMC Corporation	VP Sales FSI Inc.
President Fluorotherm Polymers	Principal Engineer FMC Corporation	Process Engineer FuelCell Energy
Plant Manager Fleurchem, Inc.	Chemist FMC Corporation	Systems Design Engineer FuelCell Energy, Inc.
Plant Engineer Fleurchem Inc.	Special Operations Manager Foam Supplies, Inc.	Engineer FuelCell Energy
Technical Service Manager Flint Hills Resources	Special Projects/MaintenanceFoam Supplies, Inc.	Development Chemist Fuji Film
Sales Engineer Flottweg Separation	Director FOP TEPLYI	Technician G&W Labs
General Manager Flow Control Inc.	President Forrestal Consultants	Engineer G W Components LLC
President Flow Control, Inc.	Vice President Formed Plastics	Manager G&C Engineering

Manager Gajendra Global	Engineering Mgr. Gemini	Technical Operations Manager Givaudan
Engineering Manager Gallo Glass Company	North East Regional Sales Manager Gemu	IM&S Procurement Manager - NOAM Givaudan
Global EPC & OEM Business Leader Garlock Sealing	Manager Gelest	Project Engineer Givaudan Flavors
Subject Matter Expert- Chemical Garlock Sealing	Sales Mgr. GEMCO	Business Development Manager GJY Flange
OEM Market Manager Garlock Sealing	Vice President Gericke USA	President Glas-Col
Director of Marketing Garwood Metal Company	Sales Engineer Gericke USA	Sales Mgr. Glas-Col
President Garden State Stainless	Principal Engineer General Dynamics - EB Corp Manager GFL	NPI Leader GlaxoSmithKline
President / CEO Garrett Industrial Systems, LLC	R&D Manger, Inorganic Division GFS Chemicals	Consultant Global Technology Engineering Consultant
Director of Marketing Garwood Metal Company	Automation Specialist GFS Chemicals Inc.	Facilities Engineer Globalfoundries
Business Development Manager Gates Corporation	Food Engineer Giorgio Foods Inc.	Marketing Engineering Director GMB Group
Product Line Manager Gates Corporation	Director Of Sales Airflow Management Gits Manufacturing	Business Development & Marketing Director GMB Group
Method Engineer Gaum	Engineering Leader Gits Manufacturing	Marketing & Engineering Refractory GMB Group
Engineer Gemini Principal Engineer GE W&PT	Key Account Manager Gits Manufacturing	Sales Engineer GMP Systems, Inc.
Management GEA Engineering	Regional Process Engineer Givaudan Flavors Corp	President GMP Systems
National Sales Manager GEHR Plastics	Engineering & Maintenance Manager Givaudan	Manager GMP Systems, Inc.
President GEHR Plastics, Inc.		VP Goidel & Assoc.

Manager GNL Global Communication	Engineer Gusberti Marcello srl	Group Leader Headwaters
Director Goodyear	COO GWS Energy	Branch Manager Harrington Industrial Plastics
CIO GPA Corp.	CEO GWS Energy	Director High Purity Technology
Manager Gopsi Pharma Pvt. Ltd.	Chief Engineer GWTT	VP, Quality & Technical Services Hilmar Cheese Company
Manager Grand Mikky International Ltd	Engineer GWTT	Sales HAS, Inc.
Engineer Graco	Director General H Products Cosmetique East Coast Regional Sales Manager Habonim USA	Business Development Manager Hayward Tyler Inc.
Dir. of Engineering Graco Inc.	President Hadley Equipment Company	Manager Heartland Foundation
Director of Corporate Development Graham Corporation	Staff Engineer Hamilton Sundstrand	Territory Sales Manager Hendrick Manufacturing
CEO Green Power	General Manager Hamtex Enterprises Chemicals & Polymers	Director, Process Engineering Henkel
Engineer Greene, Tweed & Co.	Vice President Halo Pharma	Sr. Operations Engineer Henkel
VP Greystone Enterprises	Director of Sales & Marketing Har-Conn	Project Manager Henkel
Technical Support Grupo Istacorp, SRL	VP Harrison Hose & Tubing, Inc.	Product Manager Heraeus Sensor Technology USA
General Manager GSA Optimum	President Harel Furniture Industries Ltd.	Sales & Customer Service Specialist Heraeus Sensor Technology USA
Procurement GSK	Principal Engineer Hartford Steam Boiler	Business Development Manager HFW Industries
President GTS	Application Engineer Hayes Pump, Inc.	Director High Purity Technology
Business Development Mgr. GTS	Filtration Manager Hayes Pump	Product Manager, Industrial Hockman-Lewis
Global Engineering Manager Gulbrandsen Technologies	I&C Engineer Hazen and Sawyer	

Manager, Process Engineering Hoeganaes Corporation	Process Engineer Hoeganaes Corporation	Process Engineer Imerys
Engineer Hollenbeck's Cider Mill	Mgr. Process Honeywell	Operations IFC Solutions
Director Hollingsworth & Vose	Account Manager Honeywell	President IFC Solutions
CEO Hong-Kuang Hi-Tech, CO. Ltd	Director - Sales Howden Roots	Consultant IFPO
Project Manager Hong-Kuang Hi-Tech, Co.Ltd	Manager of Maintenance/Chemical Engineer hti, Headwaters	Manager IHI Inc.
Engineering Sales Director Hong-Kuang Hi-Tech, Co.Ltd	Strategic Accounts Manager, N. America Huson International Media	V.P. Imperial Industrial Technologies
Gas Project Manager Hong-Kuang Hi-Tech,Co.Ltd	Managing Director Hyup Jin Group	Inventor Imperium Melecto Industrial Machines
Quality Assurance Director Hong-Kuang Hi-Tech,Co.Ltd	President. IAC, Inc	Owner Import & Export Empire Business
Quality Assurance Section Manager Hong-Kuang Hi-Tech,Co.Ltd	Director I A Commerce General	Designer IMS Studio
Vice President Hong-Kuang Hi-Tech,Co.Ltd	Process Engineer ICT	Mgr. InChem Holdings, Inc.
Project Engineer Hovione LLC	President IEC	President Independent Chemical Corporation
Engineer HS Engineering	Manager IEFSA	President Industrial Metal Fabricators, Inc.
Sr. Tech HSC Scientific	Director, Engineering & Construction IES Engineers	Sales Manager Industrial Controls
Group Leader HTI	Vice President Ideal Chemical & Supply Company	Fixed Equipment & Reliability Engineer Infineum
Regional Manager HTI	President Ideal Chemical & Supply Company	Rotating Equipment Specialist Infineum
Technical Services HTI	Sales Manager IEFSA	

Manager-Engineering Infineum USA	Chemical Engineer Interoc	Project Engineer IWT
Manager Infineum USA L.P.	Admin. Assistant Intertek LLC	Owner J Patrick & Co
Plant Improve & Development Engineer Infineum USA LP	President Intertek LLC	Consultant JA Consulting Services
Senior Engineering Associate Ingredion	VP of Engineering INX International Ink Co.	Directory of Technology Jacobs Engineering
Sr. Technology Mgr. Ingredion	VP Offset Operations INX International Ink Co.	Manager, Business Development Jacobs Engineering
Engineering Technician Innovative Chemical Technologies, Inc.	Eastern Regional Sales Manager iPolymer	Lead Process Engineer Jacobs Engineering Corporation
District Manager Inpro/Seal Managing Director Inova Cast Pvt. Ltd.	Engineering Manager Irvine Scientific	Sales Manager J & J Alloys
Technical Sales- Teflon™ Intech Services, Inc.	Process Manufacturing Engineer Irvine Scientific	President JADCO, IBS
Manager Intello Supply	Administrator Isotech, Inc.	Principal Engineer Janssen Pharmaceutical
Staff Facilitator Intercontinental Chemical Corp.	Owner Isotech, Inc.	Chemical Operations Engineer Jarchem Industries
Research Investigator International Flavors & Fragrances	Engineer ISP	Director of Operations Jarchem Industries Inc.
Pilot Technician International Flavors and Fragrances	Director Iteko Inc.	Account Manager JEBCO Industries
Director, Delivery Systems International Flavors and Fragrances	Sales Engineer Ives Equipment Corp.	Vice President OEM Jet Pulverizer Company
Engineer International Flavors and Fragrances	Sales Engineer Ives Equipment Corp.	GMP Manager Jet Pulverizer Company
Process Engineer International Flavors and Fragrances	Business Development Manager Iwaki America	Territory Manager JGB Enterprises
	Sales Manager Iwaki	President JIN LUN Corp.
	CE/Proprietor IRI Enterprises	Pilot Plant Manager J M Huber

Sr. Process Development Engineer JM Huber	Sr. Client Consultant Joule	COO KDC Ag
Director JMM Solutions LLC	Director of New Business Development Jrlon, Inc.	Partner/CoFounder KDC Ag
Director of Sales & Marketing JNC America, Inc.	Owner/COO Jrlon, Inc.	Vice President Kemek LLC
Systems Integrator/Analyst John & Hovart Company Ltd	President JVB Associates	Plant / Ops Manager Keystone Calciners
Process Engineer Johnson & Johnson	Vice President JVB Associates	Engineer Keystone Calciners
Principal Scientist, R&D Johnson & Johnson	President and Principal JVP International, Inc.	National After Sales & Service Manager Kelvion Inc.
Procurement Manager Johnson & Johnson	Business Development JEG Online Ventures, LLC	Regional Sales Manger Kelvion
Process Development Engineer Johnson Matthey	Manufacturing Excellence Director Johnson Matthey	Maintenance Foreman King Industries.com
Process Engineer Johnson Matthey Director Johnson Matthey	Manager JSC Alabuga	Senior Engineer Kemin Industries
	Consultant Specialist Kaiser Permanente	Process Development Engineering Manager Kemin Industries
Chemical Operator Johnson Matthey Pharma Services	Process Manager Kalsec Inc.	Owner Kennedy Wellness, LLC
Sr. Process Engineer Johnson Matthey Pharma Services	Manager Kan Technical Water Care	Sr. Application Engineer Kessler-Ellis Products
Process Engineering Supervisor Johnson Matthey	Technologist KAPL	Sr. Manager Kenneth Amaechi International Group Ltd
Owner John McAuliffe Sales	Chief Operating Officer KARNAK	Sales Engineer Keco Engineered Controls
Process Engineering Director John Paul Mitchell Systems	Sr. Applications Engineer KB Systems Inc.	Process Engineer King Industries
VP Marketing Jordan Valve	Manager KB Systems	Sr. Project Engineer King Industries Inc.
	Sr. Vice President KDC AG	Manager

Kirker Enterprises	President Kraft Associates	Director LG Chem America
Engineering Technologist Knolls Atomic Power Laboratory	Product Manager Kracht Corp.	Senior Consultant Leidos
Engineer KNUST	Project Director Kuotek Engineering	Sr. Engineer Lenovo
Project Manager Extraction Technology Koch Modular Process Systems, LLC	Operations Manager KWG Industries LLC	Managing Partner Lean Out Communications
Manager, Project Engineering Koch Modular Process Systems	President KWG Industries LLC	Account Executive Leschaco Inc.
Sr. Process Chemist Koch Agronomic Services	President KY Labs	SVP Technical LF Beauty
Process Engineering Manager Koch Modular Process Systems	Director LABSPECTRUM Inc.	Manufacturer Of Frozen Desserts Levpo Holdings LLC
Sales Kodiak Controls	Process Engineer Lanxess Solutions US	Vice President LIM
Solutions Specialist Kodiak Controls Inc.	Engineering Scientist Lanxess Solutions US	Project Manager L. J. Gonzer Associates
President Kodiak Controls, Inc.	Partner Larchmont Tech, LLC	Project manager L.E. Enterprise inc
Vice President Kompass North America	Sales Engineer LCI Corporation	Project Engineer Linde Gas
Representative Kompass NA	Asst. Manager (Export Sales & Marketing) Leader Valves Limited	Principal LMK
Marketing Manager Konradin Verlag	Director Leak Proof Pumps (I) Pvt Ltd	Staff Engineer LORD Corporation
Manager Konway Enterprise	General Manager LEEM Filtration	Engineer Lonza
CEO Kotsemoworld LLC	QC Manager Leem Filtration	AVP - Engineering L'Oreal
President KT Corporation	Design Engineer LEEM Filtration	Process Engineer L'Oreal
	Engineering Assistant LEEM Filtration	Chemical Engineer L'Oreal
		Process Expert L'Oreal

Principle Engineer L'Oreal USA	President LIND Equipment	Project Engineer MacDermid Enthone
Process Engineer L'Oreal USA	Senior Conceptual Engineering Manager Linde	Manager MacDermid Enthone
Process Expert 2 L'Oreal USA	Senior Business Development Manager Linde Engineering North America Inc.	Senior Development Engineer Madico, Inc.
Chemist L&R Manufacturing Senior Scientist Lanxess	President Listowel Inc.	Facilities Manager Maidrite Specialty Foods LLC
Production Manager Lanxess US Solutions	Sales Manager LN Industries	Consulting Director M&D CONSULTANTS
President Lazworld.com Inc.	Technical Lead and Project Manager Liquiglide Inc.	Director of Operations Magellan Aerospace NY
Sales Engineer LCI Corporation	System Engineer Lockheed Martin President Lotus Mixers Inc.	Environmental Manager Magellan Aero
President Lead Record Company	Project Manager LTS Corp.	EHS Coordinator Magellan Aero
VP Lead Record Number	Maintenance Manager Lubrizol	Sales Engineer Maggs & Gallagher LLC
Design Engineer LEEM Filtration	Process Technology Manager Lubrizol	President Malcon Inc.
Inside Sales Manager Leem Filtration	SESC Lucas Group	Product Manager Malvern Instruments
Production Manger Leem Filtration	Associate Scientist II Luminex Corp	Applications Engineer Malvern Instruments
Sales Engineer Leem Filtration	Doctor LVAB	Technical Specialist Malvern Instruments
Chemical Engineer LG Chem	Engineering and Facilities Manager MacDermid Enthone	BDM Man & Machine Inc.
North American Key Account Manager Lewis Goetz	Engineer MacDermid Enthone	Process Engineer Mana Products
Industry Specialist Liberty Mutual Insurance		Research & Development Mana Products
Managing Partner Libra Technical Center, LLC		Director, R&D Mana Products
		Manager Mana Products

Engineer Marad	Converting Engineer Materion	V.P. Meteor GMS, Inc.
Systems Engineer Marine Corps Systems Command	Manager Mayillas' Starch Enterprise	Head of Performance Solutions Metso
Maintenance Engineer Markem Imaje Corp	President Mayfair Group	Lead Process Engineer Mexichem
Chemical Engineer Markem-Imaje	Vice President MC/JC	Process Engineer Mexichem Specialty Resins
CEO Mark Co.	Manager McNeil CPC	Process Computer Specialist Mexichem Specialty Resins, Inc.
Sales Director Markell Group	Manager McQuilkin Company	President Michigan Power Products
Principal Maggs & Gallagher, LLC	Agent McQuilkin Company	Mechanical Engineer Microfluidics
Associate Engineer Mars Wrigley Confectionery	Representative Mediabistro	Director of Innovation Microvi Biotech Inc.
Lab Technician Mars Fishcare	Procurement & Material Management Manager MedcoGulf	CEO Microvi Biotech Inc.
R&D Manager Mars Fishcare	Manager medoksan tekstil	Director MIDA
President Martell Associates	Engineer MEF Consultants	Sales and Marketing Mike's Tech Shop
Head R&D Martgenhill	Engineering Associate Merck	Vice President Miles Petroleum
President Marvin Glass Ltd.	Consultant Merck & Co. Inc.	Application Engineer Miller Energy
Manager of Corporate Engineering Systems Mary Kay	Founder, Consulting Manager Metals Consult	Sales Rep Miller Energy
Senior Engineer Mary Kay	Core Manager Memorial-Sloan-Kettering Cancer Center	President Miller Energy Inc.
Business Development Massa	Vice President Merrick Industries, Inc.	Account Manager Miller Energy, Inc.
Lab Director Materials Technology Corporation	President Meteor GMS, Inc.	General Manager Miller Energy, Inc.

Vice President Miller Energy, Inc.	VP Sales & Marketing MOCON Baseline	Technical Consultant Nanjing Zhengyuan
Adv. Project Manager Milliken & Co.		President Nanobiotex
Process Technologist Milliken & Company	Team Lead, Process Technology Modern Meadow Inc.	Manager Nascent Group
Senior Process Technologist Milliken & Company	Sr. Process Engineer Mondelez International	VP Technical Services National Packaging Services, Inc.
Sourcing Manager Milliken and Co.	Process Engineer Mondelez International	Representative National Packaging Services
Director Milliken Chemical	Associate Engineer Mondelez International	Maintenance Manager NCH Corporation
Sr. Process Engineer Milliken Chemical	Sr. Sales & Marketing Mgr. Montgomery Chemicals	Project Engineer NCH Corporation
Chemical Engineer MilliporeSigma	Trade Manager MOROCCO National Grid	Managing Director Nivelco USA
Process Engineer Minteq International	Sales Engineer Morse Fluid Technologies, Inc.	Application Engineer Neilsoft
Engineer Mi Swaco	VP of Sales Morse Fluid Technology	Procurement Officer Nestle Nigeria PLC
CEO Micropore, Inc.	Purchasing MRO & Service LLC.	President NECO Systems, Inc
Scientist MIT	Manager M/S Guru Nanak Sales	Project Manager Nestle Nigeria PLC
President Mitchell Schlossman Consulting LLC	Sr. Process Engineer MTF	RSM OEM Netsch
Sales Engineer Miura America Vice President, Development MMP Inc,	Immunologist MSKCC	Marketing Director NewAge Industries, Inc.
President MMP, Inc.	Laboratory Manager Mubea	President Newark Wire Cloth Company
